The Nativity of the Lord

Christmas Day

The Word was made flesh. Our thoughts tend to dwell on the baby in the manger; but, there is another message—a challenge for us today. The Word spoke most powerfully in the flesh of Jesus and offers us an example of how we should live. In the centuries since Jesus, many have allowed the Word to become flesh in their lives—some have done it so well that we call them saints. It is easy to miss the point that each of us has the mission and challenge of allowing the Word to take flesh in us—in our life here and now. Consider how you are allowing the Word to become more a part of who you are and how you live your life.

Christmas*
